Background

The X Collective was created in the Spring of 2011 by founder and participating artist, Arismendy Feliz, to encourage the presence of art by local artists and to engage the Bronx community in a dialogue around social issues thru art. Our goal is to highlight, with our talents, social and cultural issues that affect the Bronx and communities like it. Artists at the Collective discuss topics, issues, and trends that they observe around them and transform these ideas into unique and compelling displays of art, which are showcased at themed exhibits throughout the year. The exhibits are open to the public at no cost.
